Hi Taryn and family, I was saddened to hear about the passing of Andy and wanted to send my condolences to you, your daughter, and all the family. Take care.

Tribute from Martina Hollman

Relation: Co Worker

Taryn I am so sorry for your loss. This will be a hard journey and I hope your friends can walk this path with you. What a beautiful family you both created. Taylor Lee - your dad talked about you all the time. He is so proud of the person you have become. I hope you golf, and fish and camp - knowing he will be with you for all of it. I know it will not be enough, but he cherished being your dad and he will be beside you cheering you on. God Bless.
