**Tribute from Kelly McKay**

You were a good and kind man. You did so many great things, but I will remember you best for your loving treatment of your Sister Isabel and how kindly you donated to people with disabilities thereafter. Thank you for all the generous things you did over the years. You were well loved and revered by all of us in Penticton.

**Tribute from Christi Zednai**

I never met Mr Kampe, but I will never forget how much he did for Penticton. What a beautiful example of giving back to your community. There probably isn't one person in this town who hasn't benefitted from his generosity. My condolences to his family, friends & everyone at Peter Bros. RIP Mr. Kampe

**Tribute from Harv Baessler**

David was a courageous and generous man who I met only 3 times while putting together a tribute Picture Postage Stamp of him, and a Commemorative Postal Cover to honor the April 29th, 2019 Official Opening of the David E. Kampe Hospital Tower. The Penticton & District Stamp Club could not have shared as many Free Covers to the members of the community without the financial support of David. Thanks David!!

**Tribute from Murray Carlson**

I recently became acutely aware of Mr Kampe's legacy following a serious bicycle accident near Penticton, in which I suffered broken neck vertebrae and some spinal column damage. The equipment

and hospital surroundings at Penticton Regional Hospital were first class as were the personnel caring for us all. Thank you David Kampe! That we should be worthy of your generous and kind nature. Through your example may we all be kinder and more caring, without exception, toward each other. Yours is a name that I carry with me for the rest of my life.

**Tribute from Vickie Kampe Portalaki**

Thank you for your kind words Mr. Carlson. Our family hopes you are recovering well, and share in the gratitude that state of the art medic equipment is right here in our community. We wish you well V
