Tribute from Janice Ponce

Relation: Friend

This is so deeply heart wrenching. My heart goes out to you Dan, as I did not know your wife very well but being a cancer survivor you and I did have some moments of pain we shared in conversation of the love you had for your wife. You were the most amazing stoic husband as it's very hard for those closest to us to handle the day to day illnesses of those we love. Bless her crossing into heaven Dan and find some comfort and peace in knowing she is at peace. Take each day as it comes as grief ebbs and flows in time. Give yourself the time to let it in and let it out...for life is full of many emotions with all that comes thru loss. Thinking of you...Janice Ponce

Tribute from Dianne & Carmen

Relation: Friend

Kari was amazing, kind, warm hearted, strong, soft, courageous, smart, funny (lots of laughs whenever we got together as she had a great quick sense of humour) we could go on and on, she was simply the best and raises the bar on how Carmen and I will strive to be. Always loved, never forgotten.
