

REMEMBERING
Lyall William Resh

March 8, 1939 - March 21, 2021

Tribute from Natalie

Lyle was my dad's lifelong friend from childhood and as such a figure in my own life - he was always such a warm kind man and treated my sister and I like his own kids ! I always loved visiting with the Resh family and the warmth they showered on us will never be forgotten ! Visiting with him on the Orchard was always so fun as he toured us around and explained how things worked, you could see how much pride and joy he had ! I always remembered and will always remember his laugh - it always made me smile !! We are incredibly disheartened and sad to hear of Lyall's passing and wish the family all our love during this difficult time !! Natalie Harwood(Sewell) and family

Tribute from Natalie

I met Lyell and Howard in our four room school in 1946 - and we all became instant friends ! From playing Cowboys to Meccano to forts as boys to building our families years later we were the best of friends. I have many memories with Lyall and so many are favourites but during The mid sixties we embarked in building the cabins for all of us to enjoy side by side on Crooked lake ! We went up on boxing day from salmon arm while it was snowing like Crazy so high it was above our bumpers - we plowed the snow down to the road where we would eventually break ground ! The three of us had a lot of hard work ahead of us but the memories will always outweigh all the sweat we put in ! We spent many summers together with our families and us and it's some of my most treasured years and I am happy it was with Him By my side!! Lyall was one of my Most best friends an intelligent man who was there for me and by side for 76 years even though we were provinces apart for many of those years his friendship never meant any less ! I will Miss Lyall deeply and our phone calls to catch up And trip Memory lane ! Betty Vance Michelle and family my heart is with you during this most difficult time all my love Wilmot sewell

I enjoyed all my interactions with Lyall as part of his volunteer work with the KVR Woodwackers, trail maintenance crew. He was energetic, fun, and business like when the need arose. He was a great asset to the Naramata community. My deepest condolences to Betty and the rest of the family. Craig Henderson
