With heavy hearts, we announce the passing of Bill Boswell, a devoted husband, loving father, and doting grandpa. He fought a brave battle against cancer but peacefully left us on May 16th, 2023.

Bill was a devoted and caring husband to Cheryl, his partner and best friend for 48 years. Their love was an inspiration to all who witnessed it—a testament to the strength and endurance of a deep, unwavering bond. They navigated life's joys and challenges together, supporting each other with unwavering love and devotion.

As a father, Bill was an exceptional role model and a source of unwavering support and love. His children, Krystal and Bradley, were the light of his life, and he took great pride in watching them grow and achieve their dreams. Unfortunately Bradley passed away in 2017. As a grandpa, Bill showered his grandchildren with affection, laughter, and endless love. He cherished every moment spent with them, creating treasured memories that will be cherished forever by Brooke and Pyper

Bill was an exceptional man, known for his unwavering integrity, kindness, and sense of humor. He possessed a brilliant mind and a remarkable work ethic, excelling in his career of real estate. His dedication and passion for his work were evident to all, and he inspired countless colleagues throughout his professional journey.
